Sara Donnelly (student)
_____ (student)

Emergency Response Team

The purpose and function of this team shall be:

- To review and keep current all emergency response plans.
- To meet when emergency situations occur to manage campus response.
- To assist local, state and federal authorities as needed during an emergency.
- To cultivate relationships with off-campus police, fire, medical and emergency agencies prior to an emergency occurring to ensure campus response is compatible with local efforts.

This committee will take the campus leadership role during disaster situations. This role includes but is not limited to the following: protecting our students and staff from harm; determining what can be done to limit additional damage to property; securing the campus during an emergency; communicating with the lead agency for the disaster; handling press releases; providing services to the community and region, if needed.
