

CHARGE TO THE STRATEGIC PLAN STEERING COMMITTEE

April 30, 2024

As a steering committee, you are charged with the following:

- Produce a five-year, college-wide strategic plan;
- Aggregate feedback across campus, from alumni, and external partners
- Review and highlight best practices and insights on strategic planning efforts from benchmarking;
- Identify and recommend metrics to measure on-going progress for the strategic plan across CSC; as well as school, department/unit role accountability for strategic plan initiatives, strategies, and outcomes across CSC;
- Make recommendations for a Strategic Plan for the College, with short-term, mid-range, and aspirational action items and goals, with the end goal of making CSC a regional leader; and
- Identify and integrate key priorities (academic and non-academic) to align institutional focus, provide progress in a common direction, and advance the efforts of the Nebraska State College System Strategic Plan

Have fun doing this! Remember that you are building a plan for a College that has great momentum and that is poised to do great things.
