

Overview

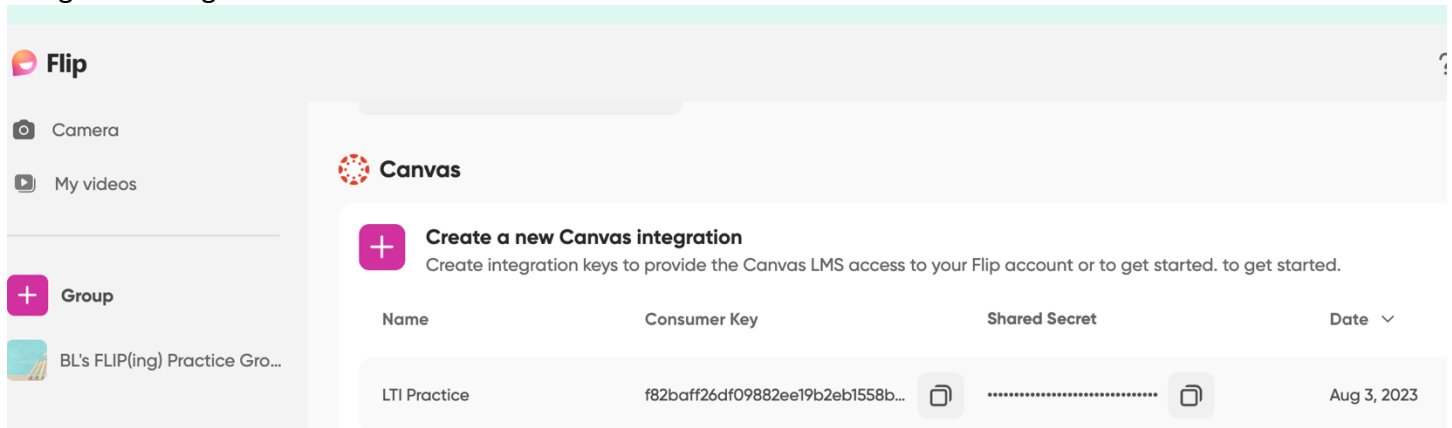

FLIP (FLIPGRID)

- Video discussion platform
- Allows students to record and submit video responses to prompts
- Features include video moderation and feedback options
- To install in Canvas, go to Settings- "APPS" tab in your course "
- Search for "Flipgrid" or "Flip" and enter Consumer Key and Shared secret retrieved from FLIP site to install the application
- Once installed, you can create video discussion topics and embed them into your Canvas course

Go to the FLIP website. Create a free account. Then:

Integrations Page in FLIP:

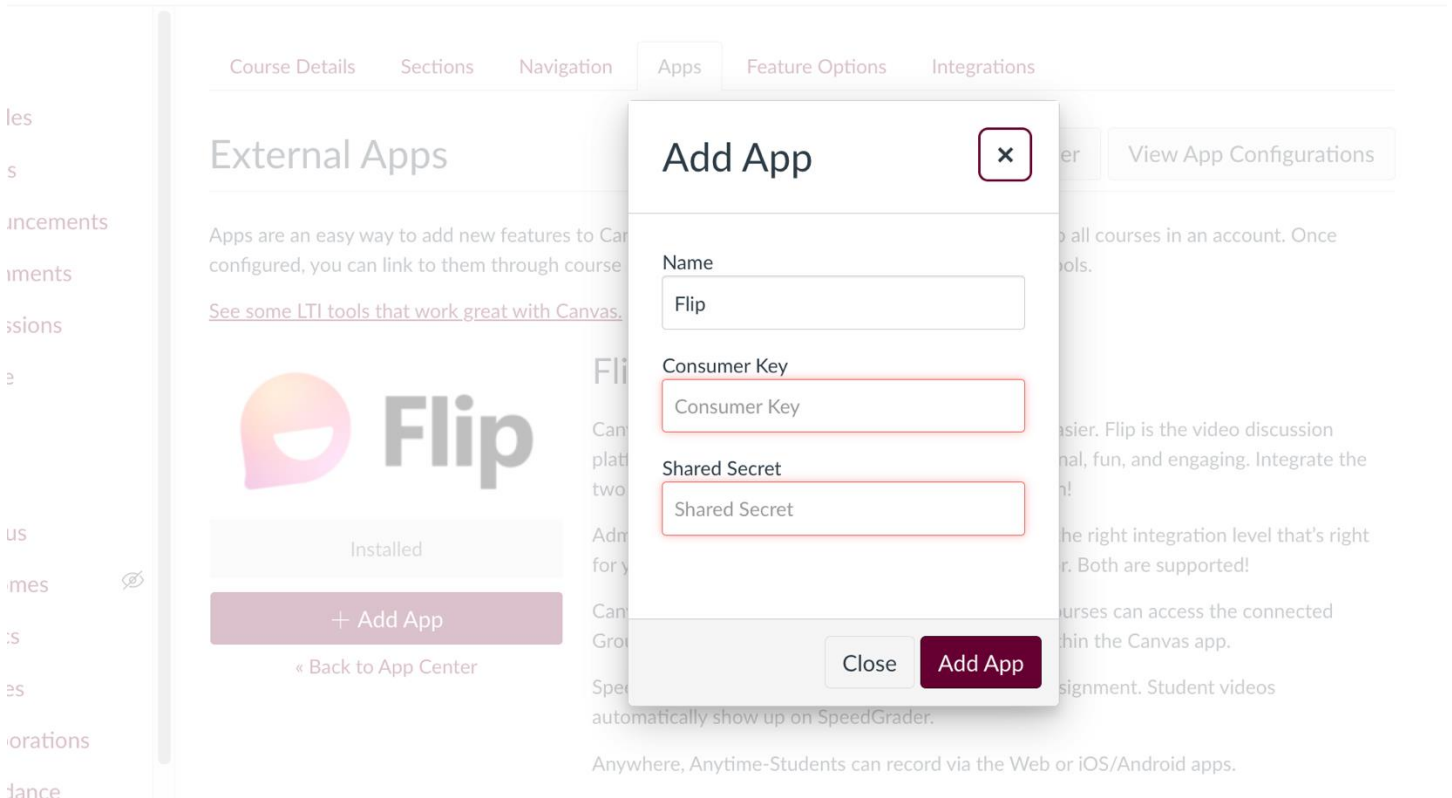

The screenshot shows the FLIP interface with a sidebar on the left containing 'Camera', 'My videos', and a 'Group' section with 'BL's FLIP(ing) Practice Gro...'. The main content area is titled 'Canvas' and features a '+ Create a new Canvas integration' button. Below this is a table of integrations:

Name	Consumer Key	Shared Secret	Date
LTI Practice	f82baff26df09882ee19b2eb1558b...	Aug 3, 2023

Then, go to Canvas course. At the bottom of Course Navigation, click “Settings” and then “Apps” and “Installed.” Choose FLIP and click “+Add App.” Enter the Consumer Key and Shared Secret—found in FLIP (see above).

Sandbox Course - Brenda Lanphear > Settings

The screenshot shows the 'External Apps' page in Canvas. The 'Apps' tab is selected, and the 'Flip' app is highlighted. An 'Add App' modal is open, showing the following fields:

- Name: Flip
- Consumer Key: Consumer Key
- Shared Secret: Shared Secret

Buttons for 'Close' and 'Add App' are visible at the bottom of the modal. The background shows the 'Flip' app card with an 'Installed' status and a '+ Add App' button.

Next, still in Settings, choose “Navigation” and Enable FLIP in the course navigation. Enable by clicking the three-dot navigation and dragging FLIP into the upper section, so FLIP shows up on course navigation.

Leave Settings by clicking FLIP on course navigation. The screen should reflect the FLIP group page:

The screenshot displays the Canvas LMS interface for a course titled "Sandbox Course - Brenda Lanphear". On the left, a navigation sidebar lists various course tools, with "Flip" highlighted. The main content area shows the course title, a date of "Aug 31, 2023", and a header image of a mountain range. Below the header, there are statistics for "2 Topics" and "2 members". A table lists the topics:

	Title	Latest Response	
<input type="checkbox"/>	Flip (after Nate) Lesson 1 response	Sep 22, 2023	
<input type="checkbox"/>	Tell me what your favorite dessert is? 0 responses	-	

The integration of FLIP into the Canvas course is now complete, and assignments can be accessed.
